 - Review of implant healing and integration post implant placement
 - Placement of Implant Abutment
 - Design of your bespoke porcelain on implant crown by a master ceramist
 - Insertion of your final on-implant crown
 - Final review, bite assessment and completion of any necessary adjustments to your Porcelain Crown
-

All-Teeth-On-Implants / Full Mouth Implants

All-Teeth-On-Implants is a dental treatment that uses four to six implants to support a full arch of fixed teeth, providing a permanent and cost-effective solution for patients with missing or damaged teeth.

Starting from 24,990 per arch

* We offer interest-free payment plans, starting from as low as **\$135 per week**. Please note all payment plan options are subject to assessment and approval. Superannuation can also be utilised in most instances for All-Teeth-On-Implants treatment.

General Anesthesia (Sleep Dentistry) services are also available for patient comfort. Fees vary on a per case basis and are discussed following the initial complimentary consultation.

Teeth Whitening Packages

Starting from 599

Includes:

- In-Chair Whitening with a professional whitening system (specifically Pola White)
- Take-home whitening gels and trays

In-Chair Whitening Only

Starting from 499

The pricing guide is an estimate only and not a final quote. For a comprehensive treatment and personalised quote, we recommend seeing us for a complimentary consultation with one of our cosmetic dentists.

All quotes are valid for 6 months and subject to change after that period at any time. Payment plans/financing options are subject to approval from our external providers.

General Dentistry

New Patient Dental Consultation and Clean Package

Starting from 249

Which includes:

- Dental examination and explanation of findings
- Full mouth OPG x-ray
- Photographs (internal and external)
- Dental clean and mineral treatment
- Removal of stains, plaque, calculus/tartar

Tooth Coloured Fillings

Ranging from 150 to 400

The cost of dental fillings will vary based on the severity of decay present, and the surface of the tooth that needs to be filled.

Fissure Seals

Ranging from 50 to 100

Root Canal Treatment

Ranging from 800 to 2,000

Price varies based on the number of roots present within the tooth.

* This price also excludes the final restoration of the tooth (as either a crown or filling).

Porcelain Crowns

Starting from 1,800

The price of Porcelain Crowns varies based on the condition of the tooth in question, the amount of enamel wear and decay present.

The pricing guide is an estimate only and not a final quote. For a comprehensive treatment and personalised quote, we recommend seeing us for a complimentary consultation with one of our cosmetic dentists.

All quotes are valid for 6 months and subject to change after that period at any time. Payment plans/financing options are subject to approval from our external providers.

General Dentistry

Tooth Extraction

Including Wisdom Teeth

Ranging from 200 to 600

Dentures

Full and Partial Dentures
